

Clarification of Support for Dependent Students

Student Name (Please print)

CSUID

The income listed for parent(s)/stepparent on the FAFSA appears to be low for the family size reported. Provide information from your parent(s)/stepparent regarding all money received in 2017 to pay bills in the family's name. Values should be reported as annual figures and cover the January 2017 – December 2017 time period. Amounts paid on a family's behalf can also include any distributions to the student from a 529 plan owned by someone other than the student or the student's parents, such as grandparents, aunts, and uncles of the student. Fields left blank will result in an incomplete document. **Write \$0 or N/A, if none.**

For example:

- **Include:** The parent(s)/stepparent(s) name is on the mortgage or rental lease but someone else made the payments.
- **Do not include:** The family lived with someone else and the parent(s)/stepparent(s) name was not on the lease.
