The income listed for parent(s)/stepparent on the FAFSA appears to be low for the family size reported. Provide information from your parent(s)/stepparent regarding all untaxed income received in 2015 to pay bills in the family's name. Values should be reported as annual figures and cover the January 2015 – December 2015 time period. Amounts paid on a family's behalf can also include any distributions to the student from a 529 plan owned by someone other than the student or the student's parents, such as grandparents, aunts, and uncles of the student. Fields left blank will result in an incomplete document. **Write \$0 or N/A, if none.**
