Clarification of Support for Independent Students

______________  ______________
Student Name (Please print)  CSUID

The income listed on the student FAFSA appears to be low for the family size reported. Provide clarification by listing all untaxed income received by you and your spouse (if married) in 2018 to pay bills in your name. Values should be reported as annual figures and cover the January 2018 – December 2018 time period. Amounts paid on a family’s behalf can also include any distributions to the student from a 529 plan owned by someone other than the student or the student’s parents, such as grandparents, aunts, and uncles of the student. Fields left blank will result in an incomplete document. Write $0 or N/A, if none.

For example:
• Include: You/your spouse’s name is on the mortgage or rental lease but someone else made the payments.
• Do not include: You/your spouse lived with someone else and your/your spouse’s name was not on the lease.
