On your Free Application for Federal Student Aid (FAFSA), you answered “yes” to the following question:

- At any time since you turned age 13, were both your parents deceased, were you in foster care, or were you a dependent or ward of the court?

As noted in your Free Application for Federal Student Aid (FAFSA) you may be required to provide evidence of your situation.

**Check the statement below that applies to you since you turned the age of 13:**

- Both of my parents are deceased**, even if I am now adopted.
- I currently am or was a ward/dependent of the court since age 13.**
- ✓ Attach to this form court documentation regarding your ward/dependent of the court status.
- I was in foster care when I was 13 years old or older.**
- ✓ Attach to this form court documentation regarding your foster care since you turned age 13.
- I answered incorrectly** and none of these conditions apply to me. By checking this box, I understand I will need to return this form to the Office of Financial Aid **and** correct my FAFSA by adding parental information.

I certify the above statement I checked is correct and I have attached supporting documentation, if applicable.
