Check the box that applies:

- Neither student nor spouse (if married) were employed, and neither had income earned from work in 2016.
- The student and/or spouse were employed in 2016 and have listed below the names of all employers, the amount earned from each employer in 2016, and whether an IRS W-2 form was issued. (*List every employer even if an IRS W-2 form was not issued.*)

Note: If you were issued a 1099 or were not issued any income documentation from your employer, you may be required to file a 2015 Federal Income Tax Return.
