The instructions and certifications below apply to parent(s)/stepparent in the household *listed on the student FAFSA*. Complete this section if the parents will not file and are not required to file a 2015 income tax return with the IRS.

**Check the box that applies:**

- Neither parent was employed, and neither had income earned from work in 2015.
- One or both parents were employed in 2015 and have listed below the names of all employers, the amount earned from each employer in 2015, and whether an IRS W-2 form was issued. [Provide copies of all 2015 IRS W-2 forms issued to the parents by their employers]. List every employer **even if the employer did not issue an IRS W-2 form**.
- I answered the parent tax filing question incorrectly on the FAFSA. One or both of my parents listed on my FAFSA **did or will file** a 2015 Federal Tax Return. I understand I must submit their 2015 [Federal Tax Return Transcript](#).

If more space is needed, provide a separate page with the student's name and ID number at the top.
