Understanding, Certification and Consent

- If it is determined that you have an adverse credit history, Direct Loans will send you information on obtaining an endorser. If you are unable to obtain an endorser, your student may be eligible for an additional Federal Direct Unsubsidized Student Loan in their name. Contact Student Financial Services for more information.
- If there is a credit balance in your student's University billing account after the institutional charges have been paid, this credit balance will be refunded to your student in their name, if you consent to this.
- The credit balance created from the PLUS loan after all charges have been paid may be issued directly to you as the borrower. To arrange for the refund of the credit balance to you as the borrower, you must call a Student Financial Services representative. This is necessary to complete the disbursement process, which will be initiated **after the first day of classes and may take up to an additional 14 days**. Additional documents may be required.

I Understand:

- ✓ My student must meet all financial aid eligibility requirements for me to receive a Parent PLUS Loan.
- ✓ That I must request processing of my Parent PLUS Loan within the deadlines stated in the Parent PLUS Loan Information publication. Failure to do so may result in my ineligibility for a Parent PLUS Loan.

I Certify:

- ✓ That I will use any Parent PLUS Loan money received for expenses related to my student's attendance at Colorado State University.
- ✓ That I have read and understand the Parent PLUS Loan information publication from Student Financial Services regarding the receipt of financial aid funds.

I Consent:

- ✓ To the U.S. Department of Education and its agents obtaining a report of my credit record and using the information from that report in determining whether to make a Direct Parent PLUS loan to me. I understand that I will be notified in writing of the results of the credit check with respect to my loan application.
- ✓ To allow Colorado State University to apply funds against non-intuition charges, such as book charges, and prior-year charges.
- ✓ To allow Colorado State University to refund any credit balance from my Parent PLUS Loan directly to my student in their name.
