

# Student iClicker Registration

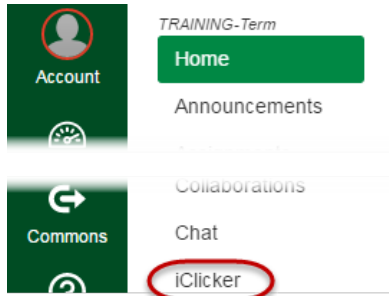

All iClicker's being used at CSU must be registered in Canvas. When an iClicker is registered in Canvas, it will be registered for all CSU courses taught in Canvas.

**Please use either FireFox or Chrome when registering an iClicker.**

Log in to [Canvas](#), and navigate to a course that is using iClicker by clicking on the Courses tab and clicking on the course name.

On the left side of the screen, click on the iClicker Index Page.

**Note:** If the iClicker Index Page is not visible on the left side in the course, contact the Instructor.

Enter the iClicker remote ID, which is an 8-character code is located below the barcode on the back of the iClicker remote, in the registration textbox and then click the Register button.

## i>clicker Student Registration

Enter your 8-character i>clicker Remote ID or 12-character i>clicker GO ID below. You may register multiple remotes/i>clicker GO accounts or remove a registration entry at any time.

Enter Your i>clicker Remote/GO ID:

The iClicker ID, along with the date registered, will display below the Registration textbox if the registration was successful.

### i>clicker Student Registration

Enter your 8-character i>clicker Remote ID or 12-character i>clicker GO ID below. You may register multiple remotes/i>clicker GO accounts or remove a registration entry at any time.

Enter Your i>clicker Remote/GO ID:

i>clicker ID	Date Registered	
<input type="text"/>	May-06-2015	<a href="#">Remove</a>

**Note:** If a Secure Connection error appears after clicking on the iClicker Index Page, please try clicking on the iClicker Index Page again.
